Wednesday: Line Dance Lessons and Dancing ALL night to DJ Dwight!

\$5.00 Voluntary Cover Charge for all dancers

Line Dance Lessons with Rose Haven and Debbie Scott, begin at about 7:15 for an hour. Line Dances taught vary from easy (1st dance taught for the new dancers) to intermediate level for the experienced dancers. All dances are usually taught & reviewed for 3 weeks to optimize learning!

After lessons, we continue to dance to a variety of Country songs, rock, pop, etc. and to various rhythm music (two-step, cha, swing, hustle etc)!

Enter and Exit Wild Bill's at the Crown Lounge entrance, down the sidewalk to the LEFT of the Main Entrance.

After Wednesday night lessons, I lead easy to follow dances on the dance floor, close to the stage (including the easy dances taught that night at lessons)... so that all new dancers can keep on dancing!

And don't forget to come out and dance & party some more on **Saturday's** at Wild Bill's or concerts on **Fridays!**

Please see my web site for info on Saturday Line Dance Workshops held at Wild Bill's for Beginner and Experienced dancers. Registrations/flyers for workshops are listed at this site at the WORKSHOPS button whenever workshops are scheduled.

For information about my small group line dance classes: Click on **CLASSES** at my website home page. These classes review and teach dances currently danced at Wild Bill's. So if you've just started coming to Wild Bill's, you can catch up on most of the dances taught there previously and currently! I also teach line dance for corporate events, private parties, wedding receptions, and at churches and businesses. Email or ask me for more information.

Please visit www.wildteam.net for pictures and news about the Wild Bill's Dance Team, the Wild Team.

Also visit: www.youtube.com and type in "Wild Bill's Wild Team" to see videos of the team.

One of the videos, "Wild Bills New Orleans" is my previous competition team (UCWDC World Champions, Cabaret Div.) "Step In Time", competing at Raleigh, N.C in 2005.

Here is a link to the video of Alan Jackson's song "Good Time", along with the choreographer teaching the dance. One of our newer dances at Wild Bill's.

The RK Café at Wild Bill's has a great selection of food. It's located just past the Crown Lounge near the pool tables.

See you on the dance floor!
